TUMC Mission Statement:

“To ignite such a passion for Jesus Christ and His teachings that it sets our world on fire.”

March 2025

From the Pastor’s Pen..

⁵¹ *When the days drew near for him to be taken up, he set his face to go to Jerusalem.*
Luke 9:51 (NRSV)

¹ *After Jesus had spoken these words, he looked up to heaven and said, "Father, the hour has come; glorify your Son so that the Son may glorify you, ² since you have given him authority over all people, to give eternal life to all whom you have given him. ³ And this is eternal life, that they may know you, the only true God, and Jesus Christ whom you have sent. ⁴ I glorified you on earth by finishing the work that you gave me to do. ⁵ So now, Father, glorify me in your own presence with the glory that I had in your presence before the world existed.* John 17:1-5 (NRSV)

Jesus never turned from his purpose in Jerusalem. His destiny was to die on the cross for our sins that we who believe might be saved and have eternal life. Facing certain suffering and death, Jesus prayed that he be glorified.

‘Glorified’ in this context has always been a bit confusing to me- death on a cross was far from a glorious experience. The term ‘glorify’ in this context does not have an earthly meaning of power and glory, fame and fortune. In this context, to be glorified meant to become a light that shines on God, like a spotlight directed towards the main event. Jesus did not intend to be the ‘star of the show’. By his life and death, Jesus intended to reveal God, to be a light heralding God in a world of sinful darkness. The scriptures referenced above indicate Jesus’ resolve to complete the mission God had set before him. Jesus’ sole purpose and intent remained resolute to glorify, or shine a spotlight on God, to reveal God’s unfailing love for all of creation. The gospels tell us Jesus never wavered from this purpose. The Gospel of John shows Jesus’ divine awareness and self-control as he obediently went to his death that we might have life.

What if this Lent we resolved to glorify God with our whole being? I am not suggesting that we should all hang on a cross... Jesus did that once for all of us who would believe. However, we are called by Jesus to daily take up our crosses and follow him (Matthew 16:24). This means to sacrificially live our lives in such a way that we reveal God in our words and deeds. We are called by Christ Jesus to live as beacons of hope for the world around us. Becoming beacons of Jesus’ light in the world means choosing lifestyles and life decisions that serve Jesus through serving others over and above our own wants and desires. We were created for a purpose: to worship and glorify God. Empowered by the Holy Spirit, we best glorify God by emulating Jesus with our whole life. This requires a singleness of purpose, a resolute desire to commit to being true disciples of Jesus Christ, spreading the Good News of Jesus with every fiber of our being.

My prayer for each of us this Lenten season is that we would each resolve to glorify God with our whole lives. I pray we will never be turned from our life journey to eternity. I pray our lives would be fully committed to sharing God’s love through Jesus Christ to the world around us in every way God opens to us to serve, that we also may glorify God with our lives. Amen.

CAMP HOPE JULY 2025

CAMP Hope is a youth missions opportunity in which teams of senior high youth (aged 14 - 18) work with adult leaders from their church for one week to serve a homeowner with a home improvement need they are physically or financially unable to complete on their own. CAMP HOPE's mission is to empower youth to gain technical skills, build relationships with homeowners, strengthen relationships with their fellow youth and adult leaders, and begin to develop a lifelong passion for service in mission.

Worship Team Message

Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful and so worship God acceptably with reverence and awe.

Hebrews 12:28

How many things in our lives are free from upset, change, shaken? Isn't it a blessing that as children of God we are receiving a kingdom that cannot be shaken. The way we worship God tells Him what we really think about Him. Worship is our response to the greatness of God. Intentional and reverent worship of God is a way to experience God's presence and to grow spiritually. Worship in response to God is an act of adoration and reverence that you share not only on Sunday but every day of the week. Worship is growing closer to God and is a lifestyle to be lived in all aspects of our lives. Scripture tells us that worship should be a priority in our life. God's presence, grace and love isn't fleeting like so many things we chase after in life. Let's make worshiping God the first priority in our life, and see how empty pursuits that give us fleeting happiness, turn in to rewarding and everlasting joy as we work together to serve and worship the Lord.

“Nothing teaches us about the preciousness of the Creator as much as when we learn the emptiness of everything else” - Charles Spurgeon

Coming up in March, join us for the beginning of Lent as we gather with our brothers and sisters at Mt. Olive United Methodist Church on Ash Wednesday, March 5, 2025 at 7:00 pm. Pastor Walter will be giving the message. As we come together with Mt. Olive let us remember this passage from Psalms:

Come let us bow down in worship, let us kneel before the Lord our Maker; for he is our God and we are all the people of his pasture, the flock under his care.

Psalms 95:6, 7

May God bless you and keep each of you!

NOTE FROM THE EDITOR....

It's hard to believe it's been one year since I decided to become the editor of the newsletter for Trinity UMC known as "The Highlighter." The issue for March 2024 was my first issue and here we are in March 2025.

When it was first advertised that they were looking for an editor for "The Highlighter" I prayed on it for a couple months until I finally inquired about it with Dawn Rice (the former editor) who did a fabulous job and was so supportive in helping me get started. Thank you Dawn! I worked in publishing for 21 years, but not only that I felt in my heart this was my calling to do God's work at this time in my life. I'm happy for the opportunity because I truly enjoy it.

I want to thank everyone here at Trinity for all your support, articles, comments and suggestions. I couldn't have done it without God and all of you.

I encourage you to send in articles for the newsletter, whether it's an event going on at Trinity, an event in the community, church committee news, volunteer opportunities or anything you think everyone would be interested in or should know about. Anybody can submit articles. My email address is ddinardo59@gmail.com.

God Bless Trinity and all of you, Debbie Dinardo

Dear Pastor Beaudwin:

On behalf of the Calvert Churches Community Food Pantry, I would like to thank your congregation for your generous donation of \$13,564.41 during the year ending 12/31/2024. Your support enabled us to serve over 2,095 families in our community this past year.

The leadership and participation of our member churches is critical to the success of our outreach ministry providing food for the needy in our Calvert County community. The food distributed by CCCFP is provided in the spirit of Christ's love, that all families that are helped will come to know the blessings of salvation through faith in Jesus Christ.

Once again, thank you for your generous donation.

Sincerely,

Joyce Loveless
